

Elevate Your Business with Simplicity

The Partnership You Need to Grow the Business You Want

Simplicity supports advisors working with clients at the intersection of wealth accumulation and protection by providing a holistic financial planning process that helps maximize the probability of achieving investment aspirations while protecting hard-earned assets.

Simplicity's Core Planning Solutions

Simplicity delivers institutional-grade scale, financial stability, and market leverage across all five core financial planning distribution channels:

	Channel Offering	Strategic Advisor Advantage
	Securities	High-value, holistic investment platform tailored for elite asset managers
	Broker-Dealer	Full-service broker-dealer infrastructure through Simplicity Investments
	Annuities	One of the largest and most competitive annuity distribution operations in the U.S.
	Life Insurance	The nation's largest and most sophisticated independent life wholesaling engine
	Asset-Based LTC and DI	Comprehensive long-term care and specialized disability income planning solutions

Integrated Enterprise

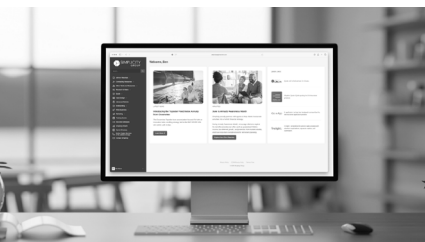

Underwriting Services	Advanced Markets and Wealth	Sales Support
Simplicity's centralized Underwriting Services team provides end-to-end multi-tier support. We deliver lightning-fast quick quotes, informal case evaluations, and extensive carrier consultations to enhance placement outcomes. Our specialized medical and financial underwriters streamline the path from submission to ultimate carrier approval across all Life, LTC, and DI lines.	Simplicity's Advanced Markets and specialized wealth divisions provide comprehensive consulting for high-net-worth (HNW) individuals, business owners, and tax-exempt organizations. We help navigate estate tax exposure, philanthropic vehicles, business succession plans, executive split-dollar designs, and complex non-profit plan governance.	Simplicity's Sales Support Desk is designed to support all Simplicity ADCs with comprehensive case design, product selection, and advanced planning integration, backed by an institutional team of 60+ specialists across all product lines; Life, Annuity, LTC, and DI products.

Marketing

Simplicity's Marketing team builds solid foundations via "The Simplicity 5" mechanism. From building an attention-grabbing custom brand and digital web architecture to deploying multi-channel prospecting networks, automated database nurturing, and turnkey lead-generation programs, we drive consistent pipeline velocity.

Technology

Leverage proprietary technology ecosystems, cutting-edge diagnostic tools, and automated workflows to accelerate your placement timelines and optimize your daily practice management. Effortlessly boost efficiency across all five distribution lines via market-leading platforms and intuitive digital solutions.

Operations

Partnering with Simplicity means unlocking a full suite of institutional services designed to save time, optimize resources, and get business placed effortlessly. We manage the back-office operational lifting so you can focus entirely on client relationships and practice growth.

Game-Changing Training and Development That Drive Results

Access continuous professional development programs and advanced strategic planning formats designed to expand your product knowledge and rapidly scale your target production.

- ✓ **The Power of Educational Training:** Our structured formats combine real-world sales concepts, carrier underwriting mastery, and proprietary design architecture to help you win more complex business.
- ✓ **Proven Results:** The metrics speak for themselves—independent data shows that agents and advisors who attended our live Advanced Sales Training wrote 133% more premium business compared to those who did not attend live sessions.*
